

CREATE YOUR OWN MARROWTHON

The Be The Match Marrowthon highlights the need for volunteer marrow donors and is the largest nationwide recruitment and awareness campaign of the year. You have the opportunity to play a part. The 2009 goal is to add 46,000 new volunteer marrow donors to the Be The Match RegistrySM. Partner with us to raise funds for the Be The Match FoundationSM. All of this over a two-week period.

From **June 8 – June 22**, choose your own creative Marrowthon activity to raise funds for the Be The Match Foundation to create the opportunity for more people to join the registry.

For a set number of hours, pledge to walk, bike, read, bake, play the Xbox[®] or Wii[™], bowl, knit, garden — whatever activity you choose. Then use this form to collect pledges and mail in the contributions.

The Be The Match Foundation will channel 100 percent of each gift to adding more potential donors to the Be The Match Registry, increasing the chances that more patients find their match.

Your efforts will help thousands of patients with leukemia and other life-threatening diseases who need a marrow or umbilical cord blood transplant to survive. Seventy percent of patients who need a transplant do not have a donor match in their family and depend on the Be The Match Registry — the largest and most diverse registry of unrelated volunteer marrow donors in the world — to find their life-saving match. We all have the power to save a life.

Important: All contributions should be collected at the time of the pledge.

Please mail in checks only.

If cash is collected, please write a check or money order for the total cash amount.

Please be careful to completely fill out names and addresses.
